

EDUCATIONAL PROGRAMS OF GORNO-ALTAISK STATE UNIVERSITY

2024-2025 academic year

FULL-TIME PROGRAMS

During full-time study, all classes are taught within a university. The education process involves personal contact between professors and students during lectures, seminars, and workshops. Students can ask questions, hold discussions, and professors can monitor the progress they make.

Program	Level	Department	Duration of study	Language of study	Tuition fees¹ (in rubles)	Availability of Russian Government Scholarships to Foreign Citizens²
